ENGINEERING TOMORROW TODAY

Chemical Engineering Undergraduate Research Poster Fair

The Department of Chemical Engineering at Northeastern University is excited to invite you to an Undergraduate Research Fair. Here, undergraduates from any university will have the opportunity to present their research to peers, faculty, and current graduate students. This fair will also be an excellent opportunity to network with chemical engineering faculty and current graduate students, and to have an opportunity to explore what our growing chemical engineering program has to offer. We look forward to seeing you on November 18th!

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas Webster".

Thomas Webster, Department Chair

Poster Awards Networking Panels Lunch Campus Quest

Saturday, November 18, 2017

10:00am to 4:00pm
