

# Qualcomm

## innovation fellowship

Qualcomm Research is excited to announce the 2019 Qualcomm Innovation Fellowship which promotes Qualcomm's core values of **innovation, execution and partnership**.

### Application Areas for Proposals

- Advanced Semiconductor Electronics
- Advances in Communication Techniques and Theory
- Autonomous Driving
- Machine Learning
- Multimedia Computing
- Processor Architecture and Implementation
- Security System Design
- Semiconductor Test, Quality and Yield Learning

### Awards

- \$100,000 Fellowship per team
- Collaborate with Qualcomm Researchers
- Travel to Qualcomm Facilities

### Application Process

Each team must submit the following items online:

- One page abstract
- Faculty recommending the innovation
- CV of student team members

### Application Deadline

**January 9, 2019 (10 AM PST)**

### Announcement of Finalists

**March 2019**

### Finalists' Presentations

**April 2019**

### Announcement of Winners

**May 2019**

### QIF Winners' Day

**October 2019**

### Participating Universities

#### USA

California Institute of Technology  
Carnegie Mellon University  
Columbia University  
Cornell University  
Georgia Institute of Technology  
Massachusetts Institute of Technology  
Princeton University  
Rutgers University  
Stanford University  
UC Berkeley  
UC Los Angeles  
UC San Diego  
UC Santa Barbara  
University of Illinois, Urbana-Champaign  
University of Maryland, College Park  
University of Michigan  
University of Southern California  
University of Texas at Austin  
University of Washington  
University of Wisconsin-Madison

#### Canada

University of Montreal  
University of Toronto
