Join the ChemE Science Slam

Becoming a chemical engineer takes passion. Share yours at the first ChemE Science Slam.

Take your research to the stage and inspire your peers and prospective majors in a 5-minute TED-style talk.

The Communication Lab will work with you to hone your research story through group training and personalized coaching.

Judges Paula Hammond and Karthish Manthiram will help select the $100 and $75 prize-winners. A third prize will go to the audience favorite.

Save the Date
Monday, March 18
4:30–6:30 p.m.

Participate
Applications due by Monday, February 18
