Schedule

5:30 PM - 6:30 PM Registration & Networking
6:30 PM - 7:15 PM Dinner - see menu online
7:15 PM - 9:00 PM Presentation & Q&A

CBD Market Could Reach \$20 Billion by 2024

- ChBE & Biotech Researchers needed to verify CBD benefits & improve performance!
- 5 ton / day CBD Extraction Plant can generate \$90 million / year in revenues!
- Farmers' 10-acre CBD Hemp Crop can sell for up to \$600,000 per harvest

Six Expert Panelists will discuss:

- Investing in CBD
- Industry Regulations and Over View
- Extraction Business Opportunities
- Designing Processes and Equipment
- Product formulation and delivery systems
- Hemp Growing

Hop on the CBD/ Hemp train – it's pulling out of the station - don't get left behind!
