

*Greetings from Purdue University!*

For junior and senior engineering students

Purdue's [Graduate Diversity Visitation Program](#) provides opportunity to underrepresented minority students to learn about graduate study, network with faculty and graduate students, and explore Purdue's campus. This is an **expense-paid opportunity to visit Purdue University**, the largest engineering program in the top ten!

*Event dates:* November 13-16, 2019

*Application deadline:* **September 27th**
