“Aim High: Chart Your Course and Find Success”

About this event: As the 23rd Secretary of the Air Force (only the second woman to lead a US military service) and a successful business leader, James reveals in *Aim High: Chart Your Course and Find Success* her formula for success, using challenges to grow stronger, and staying true to herself and her goals. Ultimately, her three-part strategy has allowed her to thrive as a leader in government and business, and as a mother and wife.

James shares her personal and professional challenges, outcomes, strategies for success, and the problem-solving principles she used to overcome the daunting pressures, threats, and challenges that come with rising to the top of the US Armed Forces. As a supplement to Deborah’s storytelling, Bain and Company, a top-tier management consulting firm, offers research and statistics that prove her insights have widespread impact.
