Why MIT?

The MIT name is recognized around the world. Your MIT degree will open doors and create unimagined opportunities. That's because MIT is exceptional, and a degree from here says that you are, too.

MIT Sloan has three great masters options for current students:

MIT Sloan MBA Early Admission

Is an MBA in your five-year plan but you need some experience in the workforce, first? MIT Sloan MBA Early Admission secures your seat in a future MBA class and is perfect for ambitious college seniors who don't yet have full-time work experience.
