

# Looking for a rewarding opportunity to teach and mentor?

Join our team of instructors and mentors at MIT!

[Apply today at staffapp.mit.edu](https://staffapp.mit.edu)

We are hiring the following part-time positions for our 2021 MOSTEC program:

- Program Facilitators
- Online Facilitators
- Project Course Instructors
  - Seeking courses in a variety of STEM fields
- Core Course Instructors for:
  - Calculus
  - Physics
  - Science Writing

All positions are remote and part-time.  
Employment dates and hourly rates vary by position.  
Most program events take place during evening hours.

*Individuals from backgrounds typically underrepresented in science and engineering are strongly encouraged to apply.\**

## About the MOSTEC program:

MOSTEC is a six-month on-line STEM enrichment program at MIT that empowers highly-motivated high schoolers from underrepresented backgrounds and under-served communities to deepen knowledge, embrace confidence, cultivate community and pursue their passions for STEM.

\*MIT is committed to the principle of equal opportunity in education and employment. The Institute prohibits discrimination against individuals on the basis of race, color, sex, sexual orientation, gender identity, pregnancy, religion, disability, age, genetic information, veteran status, or national or ethnic origin in the administration of its educational policies, admissions policies, employment policies, scholarship and loan programs, and other Institute administered programs and activities.

## Benefits

Get paid to work remotely!  
Build relationships with driven and passionate students and staff. **Flexible, part-time schedule.**
